About the Magellan Core Infrastructure Fund – Active ETF

The Fund’s primary investment objective is to achieve attractive risk-adjusted returns over the medium to long term through investment in a diversified portfolio of high-quality companies that meet Magellan’s definition of infrastructure. The Fund’s investment universe is any entity listed on a global stock exchange whose primary business is the ownership and operation of infrastructure assets. The Fund’s portfolio will comprise 70-100 investments, with some exposure to cash. The foreign currency exposure of the Fund is intended to be hedged.
